

Certificate of Conformity

March 2026

New packaging VISOCOLOR® Powder Pillows 2026

Parameter	REF
Free Chlorine	936220 + 936220.1
Total Chlorine	936221 + 936221.1
pH	936222
Sulfat	936223
Silica LR	936224
Silica HR	936225
Nitrate	936226
Iron	936227
Phosphate	936228
Ammonium	936229
Ammonium for sea water	936929
Nitrite	936230

This is to confirm that the VISOCOLOR® Powder Pillows from MACHEREY-NAGEL supplied in the newly introduced reinforced aluminium-foil laminate can be used as a direct 1:1 replacement for the former paper–aluminium foil packaging. The reagent compositions remain unchanged, and all calibration characteristics and analytical specifications are unaffected by the packaging modification.
